	11:00am	Westoning	All Age Service

### DATES FOR YOUR DIARY

"The Westoning Church Fete is on Saturday 9<sup>th</sup> May in the churchyard, (if very wet in the village hall!). Please bring any donations of raffle prizes, craft work or mugs for the mugs and bottle tombola to church over the next three weeks. Help to make this revived event a success, we are raising money towards the weekly cost of £200 to keep our church open!"

We are appealing for strong men and women to help with setting up and clearing up at the end of the fete. If you can't help, do you have a willing son or daughter, grandson or granddaughter, niece or nephew, cousin, aunt or uncle, who would be able to spend time on the Friday evening and at three fifteen on the Saturday to help with these tasks? Without a team to do this we will be struggling to have a fete at all!

Thank you for supporting this venture, which is important both financially and as out-reach to our community.

**FOODBANK:** Many thanks to all who contribute to the The Need Project Foodbank. A timely reminder that in addition to canned and packaged foodstuffs personal hygiene products and sanitary items are also most welcome.

Donations for the food bank as well as being left at Westoning church, can be brought to Joyce Bonner directly at 21 Richmond Road Westoning, MK45 5JZ. If Joyce is out it is safe to leave bags by the back gate
